WYOMING STATE STANDARDS ADDRESSED IN LESSON:

Social Studies Standards (2018) Grade 3rd-5th

Social Studies Content Standard 2

Culture and Cultural Diversity

Students demonstrate an understanding of the contributions and impacts of human interaction and cultural diversity on societies.

Rationale

Culture helps us to understand ourselves as both individuals and members of various groups. In a multicultural society, students need to understand multiple perspectives that derive from different cultural vantage points. As citizens, students need to know how institutions are maintained or changed and how they influence individuals, cultures, and societies. This understanding allows students to relate to peoples of local, tribal, state, national, and global communities.

SS.5.2.1

Identify and describe the ways groups, including Indigenous Tribes of Wyoming (e.g., families, communities, schools, and social organizations) meet human needs and concerns (e.g., belonging, self-worth, and personal safety) and contribute to identity (e.g., personal, tribal, ethnic) and daily life (e.g., traditions, beliefs, language, customs).

SS5.2.2

Describe, compare and contrast ways in which unique expressions of culture (e.g., tribal affiliation, language, spirituality, stories, folktales, music, art, and dance) influence people.

Social Studies Content Standard 4
Time, Continuity, and Change

Students analyze events, people, problems, and ideas within their historical contexts.

Rationale

Students need to understand their historical roots and how events shape the past, present, and future. Students must know what life was like in the past to comprehend how things change and develop over time. Students gain historical understanding through inquiry of history by researching and interpreting events affecting individual, local, tribal, state, national, and global histories.

SS5.4.4

Discuss different groups that a person may belong to, including Indigenous Tribes of Wyoming, (e.g., family, neighborhood, cultural/ethnic, and workplace) and how those roles and/or groups have changed over time.
